

Mother's Day Gift Idea: Personalized Puzzles

1. Take a photo of your child and their mom or family photo and print out a copy of it on an 8 ½ x 11 sheet of paper.
2. Brush a thin layer of Mod Podge or glue onto the back of the photo and mount it to a piece of poster board. Trim the edges.
3. Print a puzzle template attached and adhere it to the poster board side of the photo. [Download of a puzzle template.](#)
4. Have your child cut out the pieces by following the lines on the puzzle template. Once finished, have kids decorate an envelope for the puzzle pieces. Have them write "I'd go to pieces without you" on the envelope, and sign it.
